

LWVODC CIVIL DISCOURSE INITIATIVE

NOTES FROM 06/06/2018 MEETING

ATTENDEES: Pam Oxendine, Judy Tulchin, Linda Brooks, Judy Whitesell, Pat McDaniels

DISTRIBUTIONS: LWVODC Civil Discourse Initiative Syllabus 06/07/2018, LWV California Resource Guide Democracy in Dialog.

DISCUSSION centered around the LWV San Luis Obispo handbook (New and Improved Methods for Civil Discourse in the Public Arena) and the corresponding complete report (A Study of Civil Discourse in San Luis Obispo County: Finding a Definition, Best Practices, and Position). We also reviewed the League study process.

The CDI now has a page on the LWVODC web site, on which resource documents, link, notes, etc will be posted.

GROUP DECISIONS:

1. Group members will review the materials on the LWVODC CDI Syllabus, focusing on what aspects of the resources might be used as templates for our work in Orange, Durham, and Chatham Counties.
2. The next meeting of the CDI Study Group will be on Thursday, June 21, 2018 at 6:30 (location to be confirmed). At that meeting, the group will discuss the Syllabus resources and decide what additional resources to review.
3. The group will not meet in July and will set a date for an August meeting on June 21.
